What's New...

Operation LIFT is still seeking names and addresses of troops serving overseas. If you're interested in having us send any soldier a box of supplies to show our support, please contact Judy Cannady (485-3719 or 261-1104).

Promotion Sunday is September 5. Children ages 2 years-5th grade stay in current BFG classes until then. On September 5, take children directly to their new class. Remember, for children younger than 1st grade, the birthday cut-off date is August 31.

VBC Recreation League If you're interested in coaching or coordinating youth football or soccer, contact Tom Rogers (rogerstt@juno.com).

Parents of Youth Meeting Sunday, August 29 at 4:00 p.m. in the Fellowship Hall. Whether you're new to Youth Ministry this year with a 7th grader or have been plugged in for years, we need all our youth parents to participate in this meeting. Our entire Youth Ministry is getting a facelift, and parents need to see what kind of effect this is going to have on it. Our Student Leadership Team has been working hard since April towards this time of transition and are asking our parents of youth to commit to coming.

Exciting Opportunity! Youth BFG Teachers are needed for Sunday mornings starting Sunday, September 5. Think back to your teenage years, and you can probably identify an adult that stood above the rest and impacted your life. Could God be calling you to be that person for a small group of students? For more information contact Lee O'Briant in the church office.

Evangelism & Discipleship of Village Baptist

"Rock the Fort" Sept. 25

The Billy Graham Evangelistic Association is coming to Ft. Bragg on September 25. In preparation, BGEA will be holding their Christian Life & Witness course here on September 17-18. If you'd like to attend this 2-day, 5-hour training event, sign up in the Commons Area. If you'd like to be a counselor at "Rock the Fort", please mark that on the registration. (**Note:** Even if you have contacted Kevin previously you must still register).

Living Out Acts: Student Apologetics

70-75% of Christian youth leave the church after high school. One major reason is that our students do not know WHY they believe what they believe. When they're challenged in college (and THEY WILL BE CHALLENGED) the majority give up on their faith. *Living Out Acts* exists to train our high school students why faith in Christ is the most logical, reasonable choice. We meet on

Mondays at 7:15 p.m. in HS 2205 beginning September 13. If you are, or if you have, a student who would like to be part of this ministry, please contact Kevin.

Living Out Acts: Adult Apologetics

I am organizing an active, adult team similar to our student ministry. This group will be thoroughly trained and will actively engage our culture for Jesus Christ. If you're interested, please add your name to the list in the Commons Area (even if you previously contacted Kevin about your interest.) Watch the bulletin for details about the upcoming Q&A meeting.

Home Builders We will be holding the Military Marriage Seminar in October. This event will simultaneously launch Home Builders Groups (in home studies/support for married couples). If you'd be interested in hosting and/or facilitating a group, please contact Kevin.
