F.A.I.T.H. Evangelism

We are completing our 11th year of F.A.I.T.H. training. This ministry has been unbelievably successful, resulting in hundreds of salvations! F.A.I.T.H. is a non-confrontational, intentional approach in sharing your faith. We're doing some new things this semester. Dr. Martin will be training all of our learners as usual. We are offering the newly written Leader's training as well. In addition, we are continuing our Street Evangelism Training for our students/youth. These teams have led 27 people to Christ since March; 20 of those this summer. New team opportunities for those who have been previously trained include...

Discipleship/Follow-Up: Teams that will be responsible for ensuring that new believers are involved in church & Bible study

Ministry: Teams that will visit those who have been absent or dealing with difficult health or life issues

Prayer Walking: Teams that will go ahead of our student Street Evangelists

This is an opportunity for you to use your God given gifts in obedience to His command that we ALL must GO and make disciples. At the end of the service today, Dr. Martin will invite you to come forward and commit to being part of your church's ongoing evangelism effort. We cannot do all of this without your participation. Please join us today!

F.A.I.T.H. begins Tuesday, August 25

ALL COMMITTEES
